PEAK**

Phantom Peak is a first-of-its-kind immersive experience, integrating elements of escape rooms, immersive theatre, and social gaming.

Guests embark on missions that require puzzle solving, reveal secrets, and foster interactions with the populace of this elaborate and mysterious town.

Our 'tourists' also enjoy time with friends, dining on high-quality food, grabbing drinks at the saloon, or dancing to a robotic DJ.

Exceptional design, engrossing stories, and immersive engagement mean that Phantom Peak is consistently rated as one of - if not the best - corporate and consumer experiences in London, the capital of immersive entertainment
